### Pho Noodle Soup

Pho is well-known as the national dish in Vietnamese Cuisine. Our homemade beef broth is made from all natural beef bones, just the way it should be. The broth is simmered slowly with grilled ginger, onions and a mix of herbs and spices to bring out the authentic flavour and aroma. The special thing about Pho is the freedom to make it your own with sauces like Sriracha or Hoisin, and the fresh Thai basil, bean sprouts, fresh chili and lime wedges that accompany your meal.
